Tasty TUESDAY

Put a variety of snacks in a muffin tray. Have different snacks in each of the 12 cups. Use your 5 senses to describe each snack and identify an emotion you feel when you are eating that snack.

Example: You may put fishy crackers in one cup. What do they look like? How do they smell? How do they taste? How do they feel? How do they sound when you eat them? What emotion do you feel when you eat them?

Wiggly WEDNESDAY

Explore, name and act out your emotions as you go on a mood walk with Blazer Fresh!

Thoughtful THURSDAY

Create a collage of magazine cut-outs that represent different emotions. Add as many different emotions as you can find. Once you have completed your collage, add it to your calm down kit. You can now use this as a tool to help you identify your emotions and how something makes you feel.
