4. Old Business:

-Planter Fundraiser for Abigail and how to spend the proceeds: Her mother Melissa joined us for the meeting and shared Abi's love of climbing. The PAC would love to do a piece of playground equipment, but the cost is very high. We are committing to purchasing a memorial rock in Abi's memory. This rock will be placed on the school property, in a place chosen by Melissa, Angelica and Bryana. Mr. Chater will be contacting the maintenance department to ensure placement is approved. If for some reason the rock is denied, we will look into a bench option. The PAC will cover any remaining costs that exceed what we made with the plant fundraiser.

-Grade 5 Camp Charis update: June 16th. Bussing and entry paid for by fundraising totalling \$2742, this includes 6 chaperones. Lifeguard also secured for the day. Remaining funds from fundraising will be used for another fun item for the grade 5's to enjoy.
