RED CROSS

STAY SAFE - GRADES 4 & 5

Building on an increasing maturity level, this course empowers children with the tools to build confidence and reliability to stay safe while alone for short periods of time. Topics include how to prepare, recognize and respond to unexpected situations; the importance of following rules when staying on your own; and how to respond to challenges and create positive changes. Ultimately the course focuses on responsibility, respect, and accountability to stay safe in different situations. Includes basic first aid skills with hands-on practice.

Police Information Checks (Volunteer Criminal Record Check)

If you are wanting to volunteer with students in the Chilliwack School District, you are required to complete a Police Information Check. These are free for volunteers and are good for 5 years. The process is now online and can be found on our school website or by clicking the link below.

Parking Lot:

The parking lot is incredibly busy with buses, students and cars. If you drop off or pick up your child, please familiarize yourself with how the parking lot works. **There is no exiting or leaving your vehicle unattended in any of the lanes.** This stops the flow in the parking lot and paralyzes it. We need your cooperation to keep this a safe place.

Please do not wait in extended lines on Unsworth Road waiting to turn into the parking lot. This blocks the flow of traffic on Unsworth Road.

Students don't always look before crossing the parking lot. Please ensure you are driving safely and following the posted signs in the parking lot.

Thank you for helping keep Unsworth a safe place.

Please remember
we are a
no idle zone.

Inclement Weather School Closure Guidelines

Information for Parents, Guardians and Students

Inclement weather can include significant snowfall, freezing rain, high wind, and other severe weather that can happen at any time of the year. The district has a plan in place for these conditions.

When severe weather occurs, our team investigates road and site conditions beginning around 2:00am. This includes driving bus routes, visiting schools and sites, and consulting with the city and regional district. Staff consider weather forecasts for the entire day. Once management and supervisory staff have assessed conditions, they make a recommendation to the Superintendent. For details on how the assessment is done, [click here](#).

Service to students and parents is a priority and schools will be kept open as much as is reasonably possible. However, student and staff safety are the district's primary considerations.

When all schools are closed:

Any district closure or delayed school opening will be announced on the Chilliwack School District website, individual school websites, as well as communicated on the district's Facebook and Instagram accounts by 6:00am.

Please note: Typically, only cancellations, closures or delayed school openings will be announced. Except under extreme circumstances, no announcement will be made that schools are open.

Where to find information on school closures:

- Chilliwack School District website: www.sd33.bc.ca
- All district school websites
- Chilliwack School District Facebook and Instagram accounts
- Local radio stations: STAR FM (98.3 FM) or JR Country (89.5 FM)
- Other local media

When there is extreme weather and schools remain open, student attendance is the parent/guardians' decision.

Transportation Snow Plan

A Transportation Snow Plan is in place for students who rely on travel by school bus and live in higher elevations such as Chilliwack Mountain, Little Mountain, Majuba Hill, Ryder Lake and some areas of Columbia Valley and the Eastern Hillsides. An announcement will be made should travel in these areas become challenging due to slippery road conditions.
